

## 2021 - 2022 Langley Teachers' Association Executive Committee

# LTA News . . .

### Having Conversations

Here at the LTA office, we welcome calls and emails from members to answer questions. The ongoing pandemic, fires, flooding, power outages, massive snowfall and ongoing staffing shortages have delayed the offering of SURTs (Staff Union Representative Training) workshops.

We should all be following our BCTF Code of Ethics and members should continue to engage in conversations with each other. *"The member directs any criticism of the teaching performance and related work of a colleague to that colleague in private."* These meetings are often best done at the end of the day at a mutually convenient time and in a location that will provide privacy. If needed the Staff reps are excellent resource persons with the experience, training, and skills to help facilitate conversations between members.

The LTA Table Officers are available to offer advice and support. We're also able to refer members to a variety of BCTF services.

### 2021/2022 LTA Scholarships

The Langley Teachers' Association will award twelve scholarships of \$1,000.00 each. Ten scholarships will be available for students in Langley schools and up to two scholarships will be available for students in other districts with a parent who is an active LTA member.

Applicants will be chosen based on merit and social justice involvement. Consideration will be given to ensuring a range of diverse candidates are represented. Consideration will be also given to ensuring that as many schools as possible are represented. It may be possible to have more than one scholarship awarded at one school.

The [Scholarship package](#) has been emailed to Staff Reps and to Counsellors and is available on the LTA website.

**Deadline to apply is April 22, 2022.**
