**Supporting Food for Thought Campaign & Student Mental Wellness initiatives.**

*The Langley School District Foundation has embarked on a mission to help feed all hungry kids in the Langley School District. We have a goal to raise \$400,000 per year - an amount that would ensure that every Langley student who needs one, receives a nutritious breakfast and lunch. Student Mental Health is reaching a tipping point. Anxiety, depression, and other mental health challenges are on the rise. The Foundation supports many students who cannot afford the cost of private counseling and who need help NOW. We don't believe youth can wait. Our goal is to raise \$50,000 a year to support Student Mental Wellness.*
